ABOUT THESSALONIKI

Thessaloniki, also known as Thessalonica or Salonica, is the second-largest city in Greece and administrative region of Central Macedonia. The city was founded around 315 BC by the King Cassander of Macedon and was named after his wife Thessaloniki, a half-sister of Alexander the Great.

Thessaloniki is a popular tourist destination. In 2010 was ranked by Lonely Planet as the world's fifth-best party city worldwide, comparable to other cities such as Dubai and Montreal.

CITY SITES

The **historical center** of the city is characterized by its many historical buildings, arcades, laneways and distinct architectural styles. It is divided into several districts, of which include **Ladadika** (where many entertainment venues

and taverns are located), **Navarinou**, **Rotonda**, **Ippodromio** and the **White Tower** (the symbol of the city). All these are located around Thessaloniki's most central point, **Aristotelous Square**.

Ano Poli is the highest point in Thessaloniki, from where you can have an outstanding view of the city. It consists of Thessaloniki's most traditional part of the city, still featuring small stone paved streets, old squares and homes featuring traditional Greek architecture.

Thessaloniki has more UNESCO World Heritage Sites listed than any other city in Greece, a total of 15 monuments. There are notable **Christian Churches**, such as **Hagia Sofia**, as well as many Byzantine architecture monuments, such as the **Complex of Roman Emperor Galerius**.
